PRESENTED BY

2018 VALFILM/ONE ENERGY STEM SCHOLARSHIP

Founded in 1976 in Lorena/Sao Paulo, Valfilm is a Brazilian company, associated with VALGROUP, specializing in developing, manufacturing, and marketing flexible packaging in polyethylene. With over 30 years in the market, Valfilm is considered one of the largest and most efficient organizations in the segment. Valfilm Findlay Operations has partnered with One Energy to continue its efforts to live its value of social and environmental responsibility by harnessing wind energy for production power. To fulfill the social aspect of this value, the company is offering two Valfilm/One Energy STEM Scholarships.

Each scholarship is a one-time award in the amount of \$5,000.

APPLICATION DEADLINE: MARCH 1, 2019

Submit application to: Megawatt Scholarships
PO Box 145
Findlay, OH 45839

ELIGIBILITY

Student must be a senior for the 2018-2019 academic school year, reside in Hancock County, and attend an accredited school. To be considered, the student must have demonstrated academic excellence in high school and have plans to complete a college education in a science, technology, engineering, or math discipline in an accredited school. All criteria are not absolute.

SELECTION OF RECIPIENTS

Selection will be based on achievement and academic record during high school, submitted essay, and community activities. Leadership experience is preferred, but not a requirement.
