PRESENTED BY

2019 BALL CORPORATION/ONE ENERGY STEM SCHOLARSHIP

Ball Corporation has partnered with One Energy in continuing its efforts to become a more sustainable company within the community by utilizing a natural resource through wind turbines. This sustainability effort has allowed Ball Corporation to reduce its dependency on utility electricity and replace it with a more environmentally friendly source. Three Ball Corporation/One Energy scholarships will be offered to individuals looking to utilize a Science, Technology, Engineering, or Math (STEM) education in their future endeavors. Scholarship recipients are eligible to receive a one-time \$5,000 award.

APPLICATION DEADLINE: MARCH 1, 2019

Submit application to: Megawatt Scholarships
PO Box 1452
Findlay, OH 45839

ELIGIBILITY

Student must be a senior for the 2018-2019 academic school year, reside in Hancock County, and attend an accredited school. To be considered, the student must have demonstrated academic excellence in high school and have plans to complete a college education in a science, technology, engineering, or math discipline in an accredited school. It is recommended that the student have a minimum 3.5 grade point average; however, all criteria are not absolute.

SELECTION OF RECIPIENTS

Selection will be based on achievement and academic record during high school, submitted essay, and community activities. Leadership experience is preferred, but not a requirement.
