PRESENTED BY

2025 VALGROUP/ONE POWER STEM SCHOLARSHIP

Founded in 1976 in Lorena/Sao Paulo, Valgroup is a Brazilian company specializing in developing, manufacturing, and marketing flexible packaging in polyethylene. With over 30 years in the market, Valgroup is considered one of the largest and most efficient organizations in the segment. Valgroup Findlay Operations has partnered with One Power to continue its efforts to live its value of social and environmental responsibility by harnessing wind energy for production power. To fulfill the social aspect of this value, the company is offering two Valgroup/One Power STEM Scholarships. Each scholarship is a one-time award in the amount of \$5,000.

APPLICATION DEADLINE: MARCH 21, 2025

Submit application to: Megawatt Scholarships
PO Box 1452
Findlay, OH 45839

ELIGIBILITY

Student must be a senior for the 2024-2025 academic school year, reside in Hancock County, and attend an accredited school. To be considered, the student must have demonstrated academic excellence in high school and have plans to complete a science, technology, engineering, or math degree in an accredited school. All criteria are not absolute.

SELECTION OF RECIPIENTS

Selection will be based on achievement and academic record during high school, submitted essay, and community activities. Leadership experience is preferred, but not a requirement.
